Re: MB Docket No. 04-233

Dear Ms. Dortch:

Clearbrook is a non-profit organization that creates opportunities through programs, services and supports for over 3,000 children and adults with developmental disabilities at 40-plus locations across 80 communities in the Chicagoland area. Community partnership, like we have with WTMX for over 10 years, is critical to the success of our programs.

Fundraisers are essential to Clearbrook. Not only do they raise necessary funds but they help spread the message of our cause. We are grateful that WTMX places a high value on community involvement and 'making a difference' in the market we serve.

Clearbrook has been one of the fortunate beneficiaries of these efforts-from event sponsorship and public service announcements to volunteer hours and the donation of proceeds from the MIXclusives Volume 5 CD. In addition to providing public service announcements for our events WTMX has provided the following support for Clearbrook events:

- Wonderland of Lights-produced CD with introduction from morning radio personalities
- Women's Golf Classic-Kathy Hart volunteers and poses for pictures with guests
- Summer Soulstice-Kathy Hart was master of ceremonies
- Harvest Festival-volunteers
- Photos with Santa-hosted a booth with games and prizes
- Jelly Belly Tag Days-volunteers

WTMX/FTC

In recognition of all WTMX has done for Clearbrook, they were the honorees at our 2007 Shining Star Ball gala.

WTMX knows what is important to the communities it serves. We can see no need for the FTC to insert additional rules or reporting requirements that would regulate the nature of local programming. Let them continue to be pillars of the community.

Respectfully,
